Making Poverty Personal

We are "sacrificing" all coffee, cappuccino, cookies, donuts, etc. in the entire church on Sunday mornings as a part of "The Hole in Our Gospel" series. The money saved will be used for missions. Most of the water fountains are turned off too.

Discussing Poverty With Friends

As a part of "The Hole in Our Gospel" series we are creating special small groups to discuss the topic. The gatherings include dessert, watching 3 short videos, sharing your insights, and making new friends.

Sign up at the Connection Center or contact sandee@fairview-missionary.org to be invited to someone's home.

My Story

The Hole in Our Gospel series is having a huge impact on us. Pastor Norm would like to hear your story of a changed life. Please e-mail your story to norm@fairview-missionary.org about how God has changed you. Your e-mail may be used on a Sunday morning without your name and it may be put on the FMC web site under *Changed Lives*.
