

Opportunities to Step into Ministry!

1. **"In-Service Prayer Team"** FMC has a prayer team put together that prays during 1st and 2nd service in the room/loft that is above the sanctuary in the back. This puts you close to the "action" and really involved in the service. If you are interested in being a part of this please contact Pastor Joel, 665-8402 or joel@fairview-missionary.org and let him know. He will add you to the schedule and get you started ASAP. Thanks for taking consideration to be part of this.
2. We are looking for people interested in helping out with **landscaping**.
3. We are looking for a volunteer **painter** for outdoor work painting trim and other areas. Can work anytime of the day or evening except Sundays.
4. We are putting security cameras just about everywhere in the church. We are looking for volunteers to **run cable** starting in the day care. Day care work must be done evenings and Saturday.

To respond to items 2, 3 and 4, please contact our Facilities Manager, Mark, 665-8402.

Tidbits...

Norm's Tours

We are thankful for the gift of new siding, doors, lights and labor for the garage. It did not cost FMC anything for the very much needed and highly visible improvement. This is just one of many such projects that are done by people in the church at no cost to the church. We mention this one because it is so visible we felt we needed to tell you why it was done.

The coffee at the tables in the foyer comes from Ethiopia. It is Fair Trade coffee - FMC's small part in helping fight world poverty.

Monday, July 22 to Rise Inc. and Angola Fire Department station.

We'll leave FMC at 8:50 am and return approximately 11:30 am. There is no cost. Rise Inc. works with adults and adolescents with disabilities. They have been serving our four county Indiana area for over 30 years. We will also tour the Angola Fire Department station. Please sign up at the Connection Center.

College Students Recognized

Sunday, August 4

Students can come to either service.

If you are going on to school beyond high school for a 1, 2, 3, 4 or 5 year degree, we want to recognize you and have a special prayer time.

Just show up.

Do you remember the solar cookers we raised money for last fall?

They were intended to go to a pastor in the Sudan. They never got sent. Why? The pastor was a converted Muslim but still dressed like a Muslim in order to reach his people for Christ. It turns out the pastor's brother is an extremist with Al-Qaeda and has threatened to kill his Christian brother if the pastor returns to the Sudan. The pastor is now in hiding in a different country.

Some of the solar cookers were sent to a camp for handicapped adults in Sudan. One of the adults is blind and had often burned her hand on the pots or fire as she cooked. She praised God for the technology of a solar cooker because she would no longer burn her hands testing how hot the pot was.

Operation Christmas Child Shoeboxes

In October, for the 11th year, we are again collecting shoeboxes for children worldwide in desperate situations. Now is a good time to pick up school supplies and flip flops on clearance for the boxes. If you don't want to fill box(es) on your own, you may drop off the items at the Connection Center or in the Children's Ministry office.

"The Church has Left the Building"

The next opportunity to serve is
August 10!

8:00 am to 12:00 noon

Thank you to the 25 volunteers who served at 25 different sites. All those who were served were grateful for the help!

Today is the last day to sign up at the Connection Center for a t-shirt for our next Second Saturday Serve. They are free; however, donations would be appreciated.

If you know of anyone who needs something done or would like someone to come and visit with them, let Jake know, 665-8402.
