Church Building News

A large portion of the church's roof needs to be replaced. The Trustees have received a bid of \$70,000 to do 23,100 sq. ft., or approximately one half, of the roof. This is the part of the roof that was put on in 1985, 1992, and some in 2000. The bid is from Hydrotech Building Solutions, owned by FMC attendee Wade Stiefken. Wade has been in the roofing business for 20 years. The Trustees reviewed the bid carefully and find it to be a very good price for the extensive work and quality of roof being put on. The roof will be an asphalt roof with a 40 year warranty. The goal is to have \$50,000 in hand before they start. Your generous, special gift toward this project is welcome. Simply mark your gift "roof". Any questions should be directed toward Steve Bireley, Trustee. Steve knows roofs and understands this better than others.

Through The Years

Historical Videos and Photos

In the Bible, when God got ready to lead the people in a new direction, He always had the people stop and look back at His faithfulness before they followed Him in their next step. With that in mind, starting this Sunday until Transition Sunday (that date has not been set yet), there are historical videos playing on the TV's in the foyer and historical pictures on display near the Connection Center. Look at them to be reminded where God has led in the past as we prepare for the future. If all goes according to prayers and plans, the video and pictures will be different each week so be sure to look for them every week!

A Trip With Pastor Norm

Purpose: Fun and to get to know some FMC folks you may not know.

When: Saturday, June 7, we will leave FMC at 6:30 am and return around 6 pm, we hope.

Where: At the Fair Oaks Farms which is 3 hours west of here in Fair Oaks, Indiana.

Cost: \$10 for gas plus \$25.00 per person to get into "Adventures" at the Farm plus whatever you spend for lunch at the Fair Oaks Farms Café where they serve products and produce fresh from the farm plus money to buy ice cream and cheese, etc. to bring home in the coolers we will provide.

Information: Fair Oaks is one of the top agri-tour destinations in the nation with 35,000 cows (we will see only 2,000-3,000), a 72 cow milking carousel and a birthing facility (80-100 calves are born each day) where we can watch the miracle of life. The pig adventure is a one-of-a-kind in the world with 80,000 piglets born every year - we can visit their birthing facility too. The touring part of the pig farm is all enclosed in glass with its separate air conditioning system. Why? Not to keep the smell of the pigs away from us but to keep our germs away from the pigs. 500,000 people tour the farm each year.

Limited to the first 14 people to sign up at the Connection Center.

You can check out the Farm at www.fofarms.com

Another Trip With Pastor Norm

When: Tuesday, June 17, leave FMC at 8:00 am, return before 3:00 pm

Where: To the Chelsea Teddy Bear Company factory and Jiffy Mix Mill in Chelsea, Michigan - about 90 minutes away, near Ann Arbor.

What: Tour the Teddy Bear factory and toy museum where you can make your own bear or buy bears too. A one hour or less tour. Right across the street is the Jiffy Mix Mill where the famous little "Jiffy mix" products are made. This is a one hour tour. We will eat somewhere and drive through Spring Arbor University on the way home.

Cost: \$10.00 for gasoline plus money for food and souvenirs. Both tours are free. We must have 10 or more people sign up to take this trip. Both tours require you to walk and stand for one hour at a time.

Sign up: Please sign up at the Connection Center.
