## Norm's Trips

## Ark Encounter

Is there interest in a one day trip, Thursday, September 7, to "The Ark" in Kentucky? You can read about the Ark at [www.arkencounter.com](http://www.arkencounter.com). We would leave FMC at 7:00 am, on a Cardinal bus, arrive around noon, eat at Emzara's Kitchen (seats 1,500), tour the Ark, leave around 5:00 pm and arrive back home at 10:00 pm. The cost would be \$100 plus your two meals. If this is something you are 80% sure you would do, please sign up at the Connection Center before June 5. This is only to see if there is interest in such a trip.

## Trip To Notre Dame

Let's take a trip... with Pastor Norm and Linda to Notre Dame University! Tuesday, June 20, leave FMC at 8:15 am. Cost is \$4.00 per person to cover gas and tolls, please bring money for your noon meal. This trip includes LOTS of walking, sometimes up a hill. You must be able to walk it. We need 8 people to go but it's limited to 13 people. Our tour guides will be Andy Fuller and Tony Fuller who both work at Notre Dame. We have them only for two hours. In case of rain, this tour is cancelled for that day and will possibly be rescheduled. On the tour you will learn why Notre Dame is in South Bend and not Evansville, Indiana and why Notre Dame has had a post office from the very beginning. Learn about how the first wireless transmission in the United States took place at Notre Dame. We will hear what Notre Dame did in the 1950's to make its name known around the world. We will go into the golden dome building, Basilica (church), library, ice rink (it is cold in there) and any building that is open. We will eat on campus at Huddle Mart (many options there), plus see the nearly complete \$600,000,000 construction projects on campus. We will drive through our own Bethel College too. Please sign up at the Connection Center.

#### CEF (Child Evangelism Fellowship)

**We are at the beginning stages** of remodeling our nursery and toddler rooms. They have not been updated in the 17 years we have been in this building. We are looking for a good wood worker to build new cubbies. Please contact Norm, 665-8402.
