## Small Group Questions

Here are the questions for this week on our series "The End" from the message 8-13-17. We went through a lot yesterday and I would encourage you to go a little deeper in your own personal study. Thank you and have an awesome week.

1. Have you studied Revelation in the past? Have you had discussion with the event found there with other Christians? Did you ever disagree?
2. If God wants us to know what is to come and to prepare, why is His revelation so filled with confusing symbolism that has multiple interpretations? Who can understand it?
3. What would cause people found in Revelation 9:20-21 not to repent after seeing the evidence of God?
4. Have you ever thought the best way to win people to Jesus is to win the argument over what the Bible says about certain things? Have you ever thought the way should be through displaying the attributes of Jesus to others – love, mercy and grace?
