Small Group Questions

Here are the questions for this week on Colossians 3:1-17.
Have a great time in Small Group.

A huge "Thanks!" to everyone who submits questions.

1. If God is doing a work within us, we need to get out of His way. Why would we get in the way? How would this look?
2. What earthly thing has become too much of a focus for you?
3. How do I balance compassion and healthy boundaries when ministering to someone with endless needs, who keeps asking for more?
4. When you first confessed Jesus as Lord, what things in your life needed to be purged? What areas of life is God still working on you?
5. Does a current struggle with sin mean you have not put sin to death in your life? Does this struggle mean you are not really saved?
