

W.O.W.

Who we are...

We believe that God created each woman with a specific purpose in mind and He has endowed each one with gifts, resources, talents, and opportunities. We need to live out His plans for our lives. That makes us Women of Worth! This also reflects the message of Ephesians 4:1. We need to strive daily to live our lives worthy of that to which we have been called.

We are a group of ladies who enjoy getting together on a regular basis for fun, fellowship, learning together and growing together.

Women of Worth includes all women! Mothers, daughters, sisters, aunts, grandmothers, single, married...

Every lady is included! It is our goal to meet the needs of all ladies right where they are.
