## Small Group Questions

1. How do you encourage children in understanding and using prayer as they begin talking to God?
2. Have you experienced and/or do you believe prayers are powerful and effective for a righteous person?
3. God wants us to pray honestly and like children. Do you pray honestly?
4. If God is all knowing and always acts perfectly and this is not dependent on us, will God only act if I pray to Him or will He act on His own?
5. Do our prayers change Gods mind?
6. Do you think God stresses prayer more than reading scriptures? He talks about prayer a lot in both testaments. How should we respond to that?
